

INFORMATION CIRCULAR

as at July 17, 2026

This Information Circular is furnished in connection with the solicitation by the management of Radius Gold Inc. (the “**Company**”) of votes with respect to the Annual General Meeting of the holders of common shares (“**Common Shares**”) of the Company to be held on Thursday, September 3, 2026 (the “**Meeting**”) and any adjournment thereof, at the time and place and for the purposes set forth in the accompanying notice of the Meeting (the “**Notice of the Meeting**”).

In this Information Circular, references to “**Non-Registered Holders**” means shareholders who do not hold Common Shares in their own name and “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Holders.

PROXIES

Notice-and-Access Process

The Company has elected to use the notice-and-access provisions (“**Notice-and-Access**”) of National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), for distribution of this Information Circular, form of proxy (“**Proxy**”) and other meeting materials (the “**Meeting Materials**”) to registered shareholders and Non-Registered Holders of the Company.

Under Notice-and-Access, rather than the Company mailing paper copies of the Meeting Materials to shareholders, the Meeting Materials can be accessed online on the Company’s SEDAR+ profile at www.sedarplus.ca or on the Company’s website at <https://radiusgold.com/investors/agm-documents>. The Company has adopted this alternative means of delivery for the Meeting Materials in order to reduce paper use and the printing and mailing costs.

Shareholders will receive a “notice package” (the “**Notice-and-Access Notification**”) by prepaid mail, with details regarding the Meeting date, location and purpose, and information on how to access the Meeting Materials online or request a paper copy.

Shareholders will not receive a paper copy of the Meeting Materials unless they contact the Company at the toll free number as set out in the Notice of the Meeting. Provided the request is made prior to the Meeting, the Company will mail the requested materials within three business days. **Requests for paper copies of the Meeting Materials should be made by August 20, 2026 in order to receive the Meeting Materials in time to vote before the Meeting.**

Shareholders with questions about Notice-and-Access may contact the Company toll-free at 1-888-627-9378.

Non-Registered Holders

Only registered holders of Common Shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, Common Shares beneficially owned by a Non-Registered Holder are registered either:

- (a) in the name of an Intermediary that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIAs, RESPs and similar plans, or
- (b) in the name of a clearing agency, such as The Canadian Depository for Securities Limited, of which the Intermediary is a participant.

In accordance with the requirements of NI 54-101, the Company will distribute the Notice-and-Access Notification to Intermediaries and clearing agencies for onward distribution to Non-Registered Holders. The Company does not intend to pay Intermediaries to forward the Notice-and-Access Notification if the Non-Registered Holders have provided instructions to their Intermediary that they object to the Intermediary disclosing ownership information about the Non-Registered Holders. In this case, such Non-Registered Holder will not receive the Meeting Materials if the Intermediary does not assume the cost of delivery.

Intermediaries are required to forward the Notice-and-Access Notification to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive Meeting Materials. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will be sent a voting instruction form ("**VIF**"), rather than a Proxy, which must be completed, signed and returned by the Non-Registered Holder in accordance with the directions in the VIF. In some cases, Non-Registered Holders will instead be given a Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with Computershare Trust Company as described under "*Solicitation and Deposit of Proxies and VIFs*" below.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the Proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a VIF, follow the corresponding instructions on the form.

Non-Registered Holders should carefully follow the instructions in their Proxy or VIF, including instructions regarding when and where the Proxy or VIF is to be delivered.

Solicitation and Deposit of Proxies and VIFs

While it is expected that the solicitation will be primarily by Notice-and-Access and mail, votes may be solicited personally or by telephone by the directors and regular employees of the Company. All costs of solicitation will be borne by the Company. The Company has arranged for Intermediaries to forward the Notice-and-Access Notification to Non-Registered Holders of Common Shares held as of record by those Intermediaries and the Company may reimburse the Intermediaries for their reasonable fees and disbursements in that regard.

The individuals named in the Proxy and VIF are directors or officers of the Company. **A shareholder wishing to appoint some other person (who need not be a shareholder) to represent the shareholder at the Meeting has the right to do so, either by inserting such person's name in the blank space provided in the Proxy or VIF and striking out the printed names, or by completing another form of proxy or VIF.** The Proxy or VIF will not be valid unless the completed, dated and signed Proxy or VIF is received by Computershare Trust Company of Canada, 8th Floor, 100 University Avenue, Toronto, ON M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof, or is delivered to the Chair of the Meeting prior to commencement of the Meeting or any adjournment thereof.

Voting of Proxies and VIFs

Voting at the Meeting will be by way of a show of hands, with each registered shareholder and proxyholder having one vote, unless a ballot vote is required or requested. Common Shares represented by any properly executed and delivered Proxy or VIF will be voted or withheld from voting only on a ballot, in accordance with the instructions given by the shareholder. **In the absence of such direction, such Common Shares will be voted in favour of the matters set forth herein.**

The Proxy or VIF, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of the Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the Proxy or VIF to vote in accordance with their best judgment on such matters or business. As at the date hereof, the management of the Company knows of no such amendment, variation or other matter that may be come before the Meeting.

Revocation of Proxies and VIFs

A shareholder who has given a Proxy or VIF may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, 1111 Melville Street, Suite 1000, Vancouver, British Columbia, V6E 3V6, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chair of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a Proxy or VIF does not affect any matter on which a vote has been taken prior to the revocation.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

As at the date hereof, the Company has issued and outstanding 115,754,251 fully paid and non-assessable common shares, each share carrying the right to one vote. **THE COMPANY HAS NO OTHER CLASSES OF VOTING SECURITIES.**

Holders of Common Shares as at the Record Date of July 20, 2026 who either personally attend the Meeting or who have completed and delivered a Proxy or VIF in the manner and subject to the provisions described above shall be entitled to vote or to have their shares voted at the Meeting.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Board of Directors of the Company (the “**Board**”), the only matters to be brought before the Meeting are those matters set forth in the accompanying Notice, as more particularly described as follows:

Appointment and Remuneration of Auditors

A management cease trade order was issued by the British Columbia Securities Commission (the “BCSC”) on April 3, 2017 against the CEO and CFO of Fortuna Silver Mines Inc. (now called Fortuna Mining Corp.) (“Fortuna”) in connection with Fortuna’s failure to timely file financial statements, related management discussion and analysis and an annual information form for its financial year ended December 31, 2016. The delay in the filing of these documents was due to pending resolution of a regulatory review of certain of Fortuna’s filings by the United States Securities and Exchange Commission. On May 25, 2017, the BCSC revoked the management cease trade order after Fortuna filed the required records. Simon Ridgway and Mario Szotlender were directors of Fortuna at these times.

Other Matters

Management of the Company knows of no matters to come before the Meeting other than those referred to in the Notice of Meeting accompanying this Information Circular. However, if any other matters properly come before the Meeting, it is the intention of the persons named in the Proxy and VIF to vote the same in accordance with their best judgment of such matters.

Stock Option Plans and Other Incentive Plans

The Company's only incentive plan is its Stock Option Plan, the material terms of which are described under "*Particulars of Matters to be Acted Upon – Stock Option Plan*" herein.

Compensation Agreements or Arrangements

Bruce Smith is a Director and until June 2026, was the President and CEO of the Company. Pursuant to agreements dated effective January 1, 2021:

- (a) Mr. Smith was paid a monthly fee for his services as President and CEO of the Company. The agreement had no fixed expiry date and contains provisions regarding fees and expenses, and termination of services. The agreement may be terminated by the Company without cause on six months' notice and by Mr. Smith on three months' notice. If, on December 31, 2025, the Company had terminated the agreement without cause, \$90,000 would have been payable to Mr. Smith, and in the event of a change of control of the Company, \$270,000 would have been payable to Mr. Smith.
- (b) The Company agreed to issue to Mr. Smith as a bonus 500,000 common shares of the Company in the event that as a result of exploration work conducted on any property in which the Company has an interest, the Company publishes a mineral resource calculated in accordance with National Instrument 43-101 having an equivalent gross metal value greater than US\$1.0 billion. The share issuance will be subject to Exchange approval, and to Mr. Smith's being engaged or employed by the Company at the time the mineral resource is published.

Pursuant to an agreement dated June 1, 2019, as amended January 1, 2021, Mill Street is paid a monthly fee for the corporate development and financial advisory consulting services of Simon Ridgway, the CEO and Chairman of the Board of the Company (formerly Executive Chairman). The agreement has no fixed expiry date and contains provisions regarding fees and expenses, and termination of services. The agreement may be terminated by the Company without cause on 12 months' notice and by Mill Street on three months' notice. Mill Street is owned by Mr. Ridgway. If, on December 31, 2025, the Company had terminated the agreement without cause, \$42,000 would have been payable to Mill Street.

Pursuant to an agreement dated July 1, 2012, as amended June 1, 2019, Gold Group is reimbursed by the Company on a monthly basis for certain shared business-related expenses paid by Gold Group on behalf of the Company, including the services of the Company's Chief Financial Officer. The agreement may be terminated by the Company on 12 months' notice and by Gold Group on three months' notice. Gold Group is owned by Simon Ridgway.

Oversight and Description of Director and NEO Compensation

The Compensation Committee of the Company's Board is responsible for ensuring that the Company has appropriate procedures for making recommendations to the Board with respect to the compensation of the Company's executive officers and directors. The Compensation Committee consists of William Katzin, Mario Szotlender and Simon Ridgway, of whom Messrs. Katzin and Szotlender are independent directors.

The general philosophy of the Company's compensation strategy is to: (a) encourage management to achieve a high level of performance and results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interest of shareholders; (c) provide a compensation package that is designed to attract and retain highly qualified executives and directors; and (d) ensure that total compensation paid takes into account the Company's overall financial position.

Compensation to the Company's directors and NEOs may include incentive stock options granted from time to time. NEOs are also paid cash salaries. The compensation to the Company's NEOs for the fiscal year ended December 31, 2025 consisted solely of cash salaries. The Company may in the future grant stock options to its NEOs and directors.

In establishing levels of cash compensation and the granting of stock options, the individual's performance, level of expertise, and responsibilities are considered. Stock options are generally granted at the time of the individual's appointment and

periodically thereafter. Previous grants of options are taken into account by the Board when it considers the granting of new stock options.

Incentive stock options are granted pursuant to the Company's stock option plan which is designed to encourage share ownership on the part of the Company's management, directors, employees and consultants. The Board believes that the stock option plan aligns the interests of the Company's personnel with shareholders by linking compensation to the longer term performance of the Company's shares. The granting of incentive stock options is an important component of executive compensation as it allows the Company to reward an individual's efforts to increase shareholder value without requiring the use of the Company's cash reserves.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only equity compensation plan which the Company has in place is the stock option plan which was previously approved by the shareholders on December 17, 2025. The Company established a stock option plan to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Company's stock option plan provides that the number of common shares of the Company issuable under the plan, together with any other previously established or proposed share compensation arrangements of the Company, may not exceed 10% of the total number of issued and outstanding common shares. The material terms of the Stock Option Plan are set out above under the heading "*Particulars of Matters to be Acted Upon – Stock Option Plan*".

The following table sets out information regarding compensation plans under which equity securities of the Company are authorized for issuance, as at December 31, 2025:

AUDIT COMMITTEE

Pursuant to the provisions of National Instrument 52-110, *Audit Committees* ("**NI 52-110**"), the Company's Audit Committee has adopted a written charter (the "**Charter**") that sets out its mandate and responsibilities. The Charter is attached hereto as Schedule "A". As the Company is a "venture issuer" (as defined in NI 52-110), it is relying on the exemption provided to it in Section 6.1 of NI 52-110 with respect to audit committee composition and reporting obligations.

The Audit Committee is presently comprised of William Katzin, Mario Szotlender and Simon Ridgway, a majority of whom are "independent" and all of whom are "financially literate" within the meanings given to those terms in NI 52-110. The education and experience of each audit committee member that is relevant to the performance of his responsibilities as an audit committee member is as follows:

Audit Committee Member

William Katzin

Education and Experience

Mr. Katzin is a graduate of the University of Cape Town, South Africa with a Bachelor of Commerce and Law degree. He is a member of Chartered Professional Accountants of British Columbia. He has been a partner in private practice with a Vancouver firm of Chartered Accountants since 1986 and has experience working with resource and exploration companies. He is an audit committee member of one other publicly-traded resource company.

Mario Szotlender

Mr. Szotlender holds a degree in international relations and has successfully directed Latin American affairs for numerous private and public companies over the past 25 years. He has been involved in various mineral exploration and development joint ventures (precious metals and diamonds) in Central and South America, including heading several mineral operations in Venezuela, including Las Cristinas in the 1980's. Mr. Szotlender is or has been an audit committee member of other publicly-traded resource companies.

Simon Ridgway

Mr. Ridgway is a mining executive, entrepreneur and financier with over 30 years' experience in precious metal exploration, financing and leading teams that have gone from grassroots discoveries through to production. He is currently CEO of three publicly traded resource companies. His background has given him the required experience to understand and assess the general application of the accounting principles used by the Company and to understand internal controls and procedures for financial reporting.

During the Company's most recently completed fiscal year, the Company's auditors performed certain non-audit services. All fees charged by the Company's auditors during the last two fiscal years are as follows:

	2025	2024
Audit Fees	\$46,000	\$48,000
Audit-Related Fees	Nil	Nil
Tax Fees	\$ 6,000	\$ 5,000
All Other Fees	Nil	Nil
	\$52,000	\$53,000

Notes:

"Audit Fees" are the aggregate fees billed for the audit of the Company's consolidated annual financial statements, and review of transactions completed by the Company.

"Audit-Related Fees" are fees charged for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated annual financial statements and are not reported under "Audit Fees".

"Tax Fees" are fees for tax return preparation.

"All Other Fees" are amounts not included in the above categories.

CORPORATE GOVERNANCE

The Board is of the view that the Company's corporate governance practices are appropriate and effective for the Company, given its relatively small size and limited operations. The Company's method of corporate governance allows for the Company to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.

In accordance with National Instrument 58-101, *Disclosure of Corporate Governance Practices* ("NI 58-101") and National Instrument Form 58-101F2, *Corporate Governance Disclosure (Venture Issuers)*, the Company discloses its corporate governance practices as follows:

Board of Directors

The Board considers William Katzin and Mario Szotlender to be “independent” according to the definition set out in NI 58-101. Simon Ridgway is not independent as he is an executive officer of the Company and provides consulting services to the Company, Luke Longridge is not independent as he is an executive officer of the Company, and Bruce Smith is not independent as he was an executive officer of the Company within the past three years.

The independent Directors believe that their presence on the Board, their knowledge of the Company’s business, and their independence are sufficient to facilitate the functioning of the Board independently of management. The independent Directors have the discretion to meet in private in the absence of the other Directors whenever they believe it is appropriate to do so.

Directorships

The directors of the Company are directors of one or more other reporting issuers, as follows:

Director	Other Issuers

Orientation and Continuing Education

Management will ensure that a new appointee to the Board of Directors is aware of his or her duties and responsibilities of a director of the Company. Each new director brings a different skill set and professional background, and with this information, the Board is able to determine what orientation to the nature and operations of the Company’s business will be necessary and relevant to each new director, as well as the continuing education needs of all Board members.

Ethical Business Conduct

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company’s business plan and to meet performance objectives and goals. In addition, the Board must comply with conflict of interest provisions in Canadian corporate law, including relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

Given the Company’s current stage of development and size of the Board, the Board is presently of the view that it functions effectively as a committee of the whole with respect to the nomination of directors. The entire Board will assess potential nominees and take responsibility for selecting new directors. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President and CEO of the Company.

Compensation Committee

The Company has established a Compensation Charter to assist the Board in discharging its oversight responsibilities relating to compensation, including the compensation of key senior management employees of the Company. The members of the Compensation Committee are William Katzin, Mario Szotlender and Simon Ridgway, a majority of whom are considered to be independent directors.

The Compensation Committee's mandate is to review and make recommendations to the Board on an annual basis with respect to the adequacy and form of compensation and benefits of all executive officers and directors, and with respect to the Company's stock option plan and the granting of options thereunder. To carry out its duties, the Compensation Committee may retain special legal, accounting, financial or other consultants to advise the Compensation Committee at the Company's expense, and it has the sole authority to retain and terminate any executive compensation consulting firm and to approve any such firm's fees and other retention terms.

Assessments

The Company has not determined formal means or methods to regularly assess the Board, its committees or the individual directors with respect to their effectiveness and contributions. The contributions of an individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as disclosed in this Information Circular, no insider, proposed nominee for election as a director, or any associate or affiliate of the foregoing, had any material interest, direct or indirect, in any transaction or proposed transaction since January 1, 2025 which has materially affected or would materially affect the Company or its subsidiaries.

The Audit Committee is accountable to the Board. In the course of fulfilling its specific responsibilities hereunder, the Audit Committee is expected to maintain an open communication between the Company's external auditors and the Board.

The responsibilities of a member of the Audit Committee are in addition to such member's duties as a member of the Board.

3. The Audit Committee shall review interim unaudited financial statements before release to the public.
 4. The Audit Committee shall review all public disclosures of audited or unaudited financial information before release, including any prospectus, annual report, annual information form, and management's discussion and analysis.
 5. The Audit Committee shall review the appointments of the chief financial officer and any other key financial executives involved in the financial reporting process, as applicable.
 6. Except as exempted by securities regulatory policies, the Audit Committee shall pre-approve all non-audit services to be provided to the Company or its subsidiary entities by the external auditor.
 7. The Audit Committee shall ensure that adequate procedures are in place for the review of the Company's public disclosure of financial information extracted or derived from the Company's financial statements, and shall periodically assess the adequacy of those procedures.
 8. The Audit Committee shall establish procedures for:
